Checks are to be payable to **Plymouth Nazarene Soccer Club (PNSC)**. Like past years, our registration process will operate on a first come, first serve basis as we fill up our team slots.

However, we are starting a new policy regarding payment this year. You will need to “lock-in” your registration by providing payment of cash or check within **3** weeks of your registration date online. Otherwise, for purposes of comparing dates for slot priority, you lose your spot on the team roster until payment is received by the Club. At time of payment, your child(ren)’s spot will be fully reserved. If spots fill up before your payment is received, you will be placed on the waiting list. Those needing alternate methods of payment will need to contact Scott Chalmers (586-907-4496) after they have registered at our online site.

Checks will be held and deposited after the registration formally ends. Any checks returned for insufficient funds will be assessed a \$30 fee.

Note: As we work to balance our club’s teams in the Fall season, we will work to honor as many requests as we can for your child’s desired teammate but cannot guarantee any particular team or coach to a given player (Exception: parents/guardians who are coaches will have their child on their team assuming age appropriate).

## Age Guidelines (based upon year of birth)

<b>Fall 2023 &amp; Spring 2024 seasons</b>	
<b>U8</b>	Birth Year 2016 or 2017
<b>U10</b>	Birth Year 2014 or 2015
<b>U12</b>	Birth Year 2012 or 2013

Due to the consolidation of birth years at the U8 level, any player who has a birth year of 2018 and who also played in either of our last two seasons are eligible to registration per our normal policy of timing as if they had a “2017” birth year. They should still register their child as 2018, but will not be subject to the added hurdles a normal underage child will have to go through in order to be completely registered.

“New” families with 2018 birth year child(ren) may also register but their spot will not be guaranteed by the registration date lock-in method. We will instead contact the impacted families and explain how we will address the situation.

In general terms, we want to avoid giving up a spot on our U8 team to an underage player unless the following conditions are met:

1. The parents have to first register the child(ren) signifying their agreement to the child to playing earlier than would be normally allowed.
2. The Club also has to agree we believe the child is ready to play early AND the Club believes there is a reduced demand for open spots. Without both, the player will have to wait another year.
3. Typically, one of the guiding forces will be when the child’s birthday actually occurs in the birth year as well as factors on how much experience a child might have had playing soccer.
4. If necessary, we may require an opportunity for us to evaluate your child to determine if we believe his/her temperament can handle playing with older children earlier than their birth year would indicate.
